DATE: February 1, 2022  
TO: Registrant  
FROM: Secretary/Treasurer, PEALS Board  
SUBJECT: 2022 – 2023 Registration Renewal

*Hafa Adai!* The Professional Engineers, Architects, and Land Surveyors (PEALS) Board reminds you that your annual registration with this Board will expire on **APRIL 30, 2022**, and become invalid after that date unless paid/renewed.

The annual renewal fee is \$225.00 per type of registration (*if an engineer, per type of engineering discipline*). If your renewal application is postmarked after the grace period, the penalty fee of \$25.00 per month per discipline must be submitted with the renewal fee. (Engineers, Architects, Land Surveyors, and Landscape Architects have a 60-day grace period). Non-receipt of notice from the Board shall not prevent your license from becoming due and payable. We quote 22 GCA Chapter 32 Section §32117(a)(2) which states:

**CH. 32 PROFESSIONAL ENGINEERS, ARCHITECTS, AND LAND SURVEYORS**

(2) Expired Certificates of Registration may be renewed at any time within sixty (60) days following the expiration date without submission of an "Application for Reinstatement," upon payment of the renewal fee plus the penalty fee as prescribed by the Board. Any individual registrant who fails to renew within (60) sixty days after the date of expiration *shall* be required to apply for a reinstatement of registration, and pay the prescribed (back registration and penalty) fees as prescribed by the Board.

To help us process your renewal you can go online at our website and create an account:
